Step 5 Fuel Purchase Information

- The *Motor Fuel Tax Act* allows for a refund of tax within four years from the date the tax was paid. You need to make sure that your claim is received by the ministry within four years of the date that you paid the tax (i.e. the fuel purchase date). Any fuel purchases older than four years from the date we receive your claim will be deducted. It is recommended that you submit refund claims **once or twice** a year.
- Fuel receipts must be submitted with your refund claim, as the receipts provide proof of the amount of tax paid. Each fuel receipt must show that fuel was purchased, the date the fuel was purchased, the number of litres purchased, and the seller's name and address.

To calculate the litres for the calendar year refund period January 1, 2010 to December 31, 2010:

- i) Put all your receipts that fall between January 1, 2010 and December 31, 2010 **in date order**.
- ii) Add the litres from these receipts to obtain the number of litres purchased.

Enter this amount in the **Fuel Litres** column for the period **January 1, 2010 to December 31, 2010** (see example * below).
